

The Economic Benefits of Online Lending to Small Businesses and the U.S. Economy

Leading online lending platforms generated...

\$37.7 billion
in gross output

358,911
jobs

\$12.6 billion
in wages

...in US communities from 2015 to 2017.

5 of the nation's largest "FinTech" small business lending platforms funded nearly **\$10 billion** in online loans from 2015 to 2017

On average...

for every **\$1**
lent to small businesses
through online lenders

sales of small
businesses borrowers
increased by **\$2.31**

creating **\$3.79** in
gross output in local
communities in the U.S.
